- › Standard Duplex and 300 Sheet Paper Capacity
- › Standard Gigabit Ethernet
- › ECOSYS Low Total Cost of Ownership
- › Standard USB Host Interface for On-the-Go Printing and Scanning
- › Apple AirPrint™ Enabled for a Mobile Printing Solution

ECOSYS TECHNOLOGY

KYOCERA's objective is to manufacture superior products with a low Total Cost of Ownership (TCO) and minimize the impact on the environment. ECOSYS printers incorporate a patented long life drum which is separate from the toner container, eliminating drum replacement when toner is depleted – and reducing landfill waste. ECOSYS printers provide a printing solution that incorporates long life consumables and one of the lowest costs per print. The operating costs of traditional cartridge-based printers can easily exceed many times the original purchase price during the life of the product.
